Remaining tickets will on-sale **Friday, May 28,** 12pm local in the U.S and Canada, and 10am local in the United Kingdom and Europe. To ensure tickets get in to the hands of fans, the tour has partnered with **Ticketmaster's Verified Fan** platform in North America. The seven-time GRAMMY Award winning artist and songwriter has also confirmed she will be continuing her work with sustainability partner **REVERB** for her **Happier Than Ever, The World Tour,** with the fan-facing **Billie Eilish Action Village** at each show which will focus on climate action and climate justice, hosting and supporting BIPOC and women-led environmental organizations as well as a comprehensive program via REVERB's forthcoming **Music Climate Revolution** campaign. In addition to reducing the tour's environmental footprint, the initiative will support projects that directly and measurably eliminate greenhouse gases. These collective efforts will make the tour **Climate Positive;** eliminating significantly more emissions than the tour creates.

About Billie Eilish

As **Billie Eilish** prepares for the July, 30th, 2021 release of her highly anticipated sophomore album '**Happier Than Ever,**' the 19-year-old Los Angeles native remains one of the biggest stars to emerge in the 21st century. Since the release of her debut single "**ocean eyes**" in 2015, Eilish continues to shatter the ceiling of music with her genre-defying sound. Fast forward from her humble breakout, her album **WHEN WE ALL FALL ASLEEP, WHERE DO WE GO?** debuted at No. 1 on the Billboard 200 in the U.S as well as 17 additional countries around the world upon release in 2019, and was the most streamed album of that year. **WHEN WE ALL FALL ASLEEP, WHERE DO WE GO?** was written, produced and recorded entirely by **Billie Eilish** and brother **FINNEAS** in their childhood home of Los Angeles. **Billie Eilish** went on to make history as the youngest artist to receive nominations and win in all the major categories at the **62nd GRAMMY® Awards**, receiving an award for **Best New Artist, Album of the Year, Record of the Year, Song of the Year, and Best Pop Vocal Album.** **Billie Eilish** is also the youngest artist to write and record an official **James Bond** theme song, '**No Time To Die.**' Most recently, **Billie Eilish** was nominated for four additional awards at the **63rd Annual GRAMMY Awards** in 2021, and took home both **Record of the Year** for '**everything i wanted,**' and **Best Song Written For Visual Media** for '**No Time To Die.**' **Billie Eilish's** forthcoming album '**Happier Than Ever**' was written by Billie and her brother **FINNEAS**, who also produced the album.
